

Research Internship Approval Form – For RIT Students

This form is to be completed by RIT students who intend to work with College of Science faculty or staff in a volunteer capacity (not as the subject of a research project, but as a research assistant, intern or for a shadowing experience).

If the intern is not an RIT student, please complete the Research Internship Approval Form for Non-RIT Personnel.

To obtain Research Credit, use the Independent Study-Research Credit form instead of this form.
